We made accommodations this year with our date and venue to bring a leading worldwide authority and educator on companion animal dentistry and oral health to our Summer Meeting!

Dr. Brook Niemiec is a specialist in veterinary dentistry, board certified by both the American and European Veterinary Dental Colleges, as well as a Fellow in the Academy of Veterinary Dentistry. He is chair of that organization's dental guidelines committee, developing minimal standards for veterinary dentistry worldwide.

Dr. Niemiec has authored or edited numerous educational publications and textbook chapters. He has performed over 50,000 dental procedures for the pets of Southern California. Although skilled in all aspects of veterinary dentistry, Dr. Niemiec's special interests include root canals, periodontal therapy and surgery, dental radiology and implant dentistry.
